

Cribis Certificate 2019

GATTI S.p.A. offers maximum commercial reliability with Cribis/Dun&Bradstreet

GATTI S.p.A. received the recognition of maximum commercial reliability on January 18 2019.

CRIBIS D&B, CRIF Group's society, specialized about the supply of commercial information, assigned to GATTI S.p.A. the "CRIBIS Prime Company" status.

CRIBIS Prime Company, currently assigned just to about 8% of the more than 6 million of Italian societies, represents the highest valuation level regarding the company's reliability from a commercial relations point of view and it is released only to companies which maintain a high level of reliability and are honest regarding the payments towards vendors.

The Certification is awarded through the analysis of several variables such as budget ratios, payment experiences, legal form, geographical area along with the size and seniority of the company.

The parameters are evaluated based on the CRIBIS D&B Rating, a dynamic and constantly updated indicator that measures the commercial reliability of a company. This important recognition by CRIBIS for GATTI S.p.A. Reliability, Solidity and Transparency represents a guarantee for all our current and future partners.
